# Room Fold

An internal twist on our popular patio door system, this new room divider is perfect for any home wanting to have privacy between two rooms with the option of open plan living on demand.

Available in a choice of eight glazed panel designs in a range of four widths:  
 1830mm\* (6'0")  
 2440mm\* (8'0")  
 3050mm\* (10'0")  
 3660mm\* (12'0")

Each Room Fold has equal leaves to give the maximum clear opening. Whether you want all leaves to slide or the option to use a single door leaf for day to day access there is a solution to suit your needs.

The Room Fold is supplied ready for installation in a frame pack, hardware pack and door leaf pack. The top hung brushed stainless steel hardware bears all the weight of the glazed panels therefore provides effortless finger tip smooth sliding operation.

Designed in popular widths the full height glazed door panels ensure maximum amount of light into both rooms at all times and with the option of matching single doors to suit the rest of the home the Room Fold is sure to give your home a designer feel.

Shaker doors are supplied unfinished ready for your choice of paint or stain. Moulded doors are supplied primed ready for a final top coat of paint.

The Room Fold is completely bespoke in the configuration options available, please see following pages for examples.

\*Actual product width, please see table for structural opening sizes.
